Oundle Town Council Community Awards: A Spotlight on Excellence

It's that time of the year when we come together to celebrate the incredible individuals who make our community shine. The nominations for the Community Award and Cllr King Award are officially open. These awards recognise and appreciate the unsung heroes among us, who contribute to the betterment of our community, leaving a lasting impact on the lives of others.

Do you know someone who goes above and beyond to make Oundle a better place? Now is the perfect time to acknowledge their efforts and nominate them.

Community Award - for services in our local community over the years.

Keep Safe & Warm event great success!

We're pleased to announce that the electric blankets tested at our Keep Safe & Warm this Winter event on the 16 January 2024 all passed and were confirmed safe to use. While people waited to have their electric blankets tested we had Citizens Advice, Volunteer Action, Age UK, the Credit Union and Oundle Fire Station offering advice on how to keep safe and warm this winter.

Action with Communities in Rural England handed out free hot water bottles, radiator foils, blankets, fleece blankets and radiator keys to people in need of keeping warm.

We're planning to organise this event next winter. We'll post details on our website oundle.gov.uk and social media pages.
